

May 2020 - Sunny Sweet Strawberry Season

Use this calendar and the Farm Along With Emily's Facebook page to enjoy stories, activities and facts about Strawberries all month long. We hope to see you at Emily's Produce to taste the delicious strawberries grown right here on our farm!

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
					1 Did you know that May is National Strawberry Month ? Let's celebrate with an activity every day!	2 Did you pick up your strawberry carton from Emily's? Decorate it today! Post a picture ☺
3 In your carton were the directions to the Berry Toss Game . Make the berries and play!	4 8 Strawberries have more vitamin C than an orange! Can you count by 8's?	5 Strawberries start as small white flowers on low plants. They have to be picked by hand. Color one of the berry pictures online	6 Watch my video of making a Summer Spinach Salad. Yum!	7 Find Fruit Bowl by Mark Hoffmann on Youtube and watch it. Is the tomato allowed in the fruit bowl?	8 Did you notice that strawberries are shaped like hearts? Download the Mother's Day card and decorate it!	9 Have you brought your coupon to Emily's Produce to get 10% off your strawberries?
10 Mother's Day Everyone loves Chocolate Covered Strawberries – use our recipe	11 Most strawberries grown in the U.S. are grown in California, but we grow them here too! Can you find California on a map?	12 Sing Old MacDonald Had A Farm Strawberry Style – see online words - get up & dance!	13 Watch my video - Strawberry Time You can download & color the pages.	14 Have you ever made playdough at home? Download the recipe for Strawberry Playdough and make it with your family.	15 There are many different types of berries. Can you name at least three more? See the list online	16 Strawberries start out green then ripen to be red. Can you name at least 5 other things that are red?
17 Want to make your own ink? Use the recipe for red berry ink and give it a try!	18 Find the story The Little Mouse, The Red, Ripe Strawberry and the Big Hungry Bear on youtube	19 Can you make up your own story about a strawberry? Use the strawberry paper online. Post it for us to see!	20 Watch my video Eating the Alphabet then we'll make fruit salad together!	21 Fruits and Veggies are very important to keep you healthy. Download the strawberry rainbow.	22 Can you count the little seeds on a strawberry? There are about 200 seeds on each berry! Can you count to 200?	23 Use the recipe and make a Berry Smoothie - delicious and nutritious!
24 	25 Memorial Day Make a red, white and blue dessert with strawberries, blueberries and whipped cream.	26 Strawberry sauce is yummy on pancakes. Make some together with our recipe.	27 Do you like Peanut Butter & Jelly Sandwiches? Watch my video story PB&J Hurray!	28 How do bees help strawberries grow? Watch video Like Fruit? Thank A Bee on SciShow Kids on youtube	29 Download the bee activity pages online and have a honey of a fun time!	30 It's been berry fun learning about strawberries with you! What do you know about blackberries?!
